

SOCIETY

Fashionable society is returning to town unusually early this season, and plans have already been made for the winter gayeties in honor of the debutantes of the year. Dates are being selected for the formal presentation of many of the season's debutantes, and the coming winter promises to be a very gay one.

Invitations will shortly be issued by Mrs. Henry G. Elliott, of 400 Allen Avenue, for a large afternoon reception to be given on October 27 in honor of Miss Elizabeth Gray Valentine, the debutante daughter of Mr. and Mrs. Henry Lee Valentine.

Here for Wedding.

An important society event of the week will be the wedding on Wednesday evening of Miss Margaret Palmer Miller, daughter of Mr. and Mrs. W. H. Miller, and William Wyndham Cabell, son of Mr. and Mrs. Henry Landon Cabell. The ceremony will take place at 6:30 o'clock tomorrow evening in the Second Presbyterian Church in the presence of a brilliant assembly of guests.

Among the guests here for the wedding Wednesday are Miss Augusta (Miss) of Lynchburg; Miss Mary Harding Buckner, of Nashville, Tenn.; Miss Sallie Hawkins, of Norfolk, and Miss Hattie Buford, of Lawrenceville.

In Richmond.

Mr. and Mrs. Heth Lorton have just arrived in Richmond from New York, and will be at the Jefferson Hotel here for the next six weeks. Mr. and Mrs. Lorton will spend the late fall and winter in the South.

Goddard-Gordon.

The marriage of Miss Margaret Randolph Gordon to Warren Maynard Goddard was solemnized in the home of the bride's parents, Mr. and Mrs. Conway Harrison Gordon, on Thursday evening, September 30, at 6 o'clock, in the presence of the immediate families and a few intimate friends. Miss Sarah E. Stuart, of Hilar Cliff Manor, New York, and Wilson Meek were the attendants. Mr. and Mrs. Goddard left later in the evening for an extended Northern trip, and after November 1 will be at home at the Chesterton.

Reception at the Woman's Club.

On Saturday afternoon at 5 o'clock the Woman's Club will give a reception to the visiting delegates of the National Association of Women's Clubs. This will be the first formal opening of the season, and all members are expected to attend. Prominent women will act as hostesses to receive the delegates on Saturday, and the drawing-rooms will be arranged with flowers for the occasion.

The next entertainment of the fall at the Woman's Club will be the annual book reception, which will take place on October 18.

Engagement Announced.

Mr. and Mrs. John Minor Long, of Laurel Grove, Hanover County, announce the engagement of their daughter, Julia Myrtle, to Benjamin Bosse James, the ceremony having taken place on Wednesday, September 1, at Charlottesville. Mr. and Mrs. James are now at Kenova, W. Va., where they will make their home.

The bride is from Alabama, where Mr. James was stationed during the war. Mr. James, who is the son of Rev. and Mrs. C. Rosser James, of the city, is a well-known athlete and served as first lieutenant in the infantry during the world war.

Married in Baltimore.

Mrs. Mary Perry Street, South Richmond, announces the marriage of her daughter, Elizabeth Virginia, to Thomas Pritchard Duggan, of Richmond. The wedding took place in St. Ann's Cathedral, Baltimore, on Monday, September 27. Mr. and Mrs. Duggan returned to the city Saturday, and will be at home at 157 Moss Side Avenue.

Quiet Wedding.

A quiet marriage took place in St. Patrick's Church Thursday morning

at 11:15 o'clock when Mrs. Louise Elizabeth Brophy became the bride of Charles Cleveland Owens. Miss Anna Ruth Shaw and Gussie Schell-berger were the only attendants. The ceremony was performed by the Rev. Father McKeefrey, after which Mr. and Mrs. Owens left for an extended Northern tour, including Washington, Baltimore and New York. They will be at home, at 2214 Pleasant Street, after October 10.

IN AND OUT OF TOWN.

Mr. and Mrs. John Towers and Mr. and Mrs. Leslie Yager, of Rockledge, Fla., and Birmingham, Ala., are guests of Mr. and Mrs. A. Robert Towers at their apartment in the Graydon on West Grace Street.

Mrs. J. H. Moore, Misses May and Julia Grant Moore, have returned to their home here, after an extended stay in the North.

Mrs. A. A. Esposito, of St. Louis, is a guest of Mrs. Alice Wharton Boswell, of 322 South Third Street.

P. H. Brooke left Saturday for an extended trip to Texas and other places in the South.

WOMEN'S MEETINGS.

The Woman's Auxiliary of Grace Covenant Church will hold an inspirational meeting on this evening at 8 o'clock in the new Sunday school building on Monument Avenue. This meeting is in charge of the business circles of the auxiliary. Mrs. Calvin Stewart's circle is the hospitality circle, and will be in charge of the hour. This circle has an opportunity to be present at the Katherine Howard to speak on "Our Missionaries," and following this an attractive musical program will be rendered.

The first meeting of the fall of the Woman's Auxiliary of the First Presbyterian Church will be held on Wednesday at 4 o'clock in the lecture room of the church.

The first meeting of the Woman's Club of Greater Park for the present season will be postponed from Wednesday, September 30, to October 1, on account of the observance of Richmond Day at the State Fair on the former date.

The Eastern Heights Woman's Club will hold its regular meeting this afternoon at 2:30 o'clock in the school assembly hall. The day of meeting was changed on account of Richmond Day at the State Fair.

Mr. Douglas Freeman will be the speaker for the afternoon.

The Junior Hollywood Memorial Association met with Mrs. Sidney Dudley at Murray's Hotel on September 21, and elected the following as delegates to the Confederate Memorial Association to be held in Houston, Texas, in October: Mrs. Sidney J. Dudley and Mrs. R. Willis Thompson. Mrs. W. H. Jett and Miss Nellie Barkman were elected as alternates.

Resumes on Part Time.

GREENVILLE, S. C., Oct. 4.—The Clover Manufacturing Company, of Clover, S. C., which was closed last week because of "market conditions," resumed operation today. The management was quoted as saying the mill is forced to run on part time because of the inability to sell its cotton goods products.

Many a Pretty Face Spoiled by Pimples

Don't close your eyes to the warning which nature gives, when unsightly pimples appear on your face and other parts of the body.

Not only are these pimples and spots disfiguring, but they lead to serious skin diseases that spread and cause the most discomforting irritation and pain. Sometimes they foretell Eczema, boils, blisters, scaly eruptions and other annoyances that burn like flames of fire, and make you feel that your skin is ablaze.

When these symptoms appear on any part of the body, take prompt steps to rid the blood of these disorders. And the one remedy which

has no equal as a blood cleanser is S. S. S., the purely vegetable blood medicine, which has been on the market for more than fifty years. It is sold by druggists everywhere.

If you are afflicted with this form of skin disease, do not expect to be cured by lotions, ointments, salves and other local remedies, as they cannot possibly reach the source of the trouble, which is in the blood. Begin taking S. S. S. today, and write a complete history of your case to your chief medical adviser, who will give you special instructions, without charge. Write at once to Medical Director, 827 Swift Laboratory, Atlanta, Ga.—Adv.

Singing Will Put Harmony in Labor

Foundry Workers and Window Washers Unite on "Memphis Blues."

BY EARL L. SHAUB.

CHICAGO, Oct. 4.—When Louis Lochner gets here from the Rand School in New York, Chicago will have a little harmony in the labor situation.

Then you will hear the foundry workers put their heads together on "the old oaken bucket." The milk wagon drivers and the window washers will cut loose then on the "Memphis Blues." It will be something new in choral music.

A labor chorus class is to be one of ten classes in the new education plan devised by the joint committee of the Chicago Federation of Labor and the Woman's Trade Union League, in co-operation with the Board of Education.

The purpose of the singing is to put a new swing into labor meetings and give them a closer feeling of companionship.

"Our chorus will be to labor what the brass band is to war," said Miss Ida Glatt, secretary of the Woman's Union Trade League.

"We are not going to train the workers to sing arpeggios or try to teach them the value of classic music," she explained. "Our idea is to get them together into a great chorus that will sing labor songs and popular songs in dress."

Another class will be devoted to the study of artistic dress. Working girls will be instructed in the value of color harmony in clothes and get them away from gaudiness in dress.

"It isn't necessarily going to be a class teaching economy in dress," said Miss Agnes Noster. "The girls may spend whatever they are able to on clothes. Our business will be to give them further ideas on how they can dress effectively on the little money they have to spend on clothes."

Budding O'Henrys and Kiplings will be taught short story writing. The "current events" class will discuss problems of the day, which modern workers. Labor students will be taught to evolve their own philosophies out of the conditions surrounding them. They will give the go-by to Plato and Aristotle and to the rest of the wise boys.

After some difficulty in selecting jurors, Judge Hugo Fann told the members of the first panel that it was their solemn duty to serve in rapid succession, and three men were quickly selected. Selection of the jury will be continued tomorrow.

Cabeza Is Thought Safe.

TAMPA, Fla., Oct. 4.—No word has been had here concerning the Cabeza, reported Saturday as on fire near the Tortugas. The Miami, which was reported to be standing by, reached here late Saturday night and reported that two other boats, whose names it did not learn, had gone to the Cabeza's aid. As no further messages have been had, it is generally thought the fire was extinguished, and the boat proceeded on its journey.
